British Journal of Hospital Medicine

Index/volume 34

July–December 1985

Compiled by Lynda Bailey BPharm MSc

A

Abscess, frontal sinus, and secondary orbital cellulitis. C E Wallace 294
Access, patient, to medical records. *Editorial* J M A Northover 133
Accreditation: who needs it? *Editorial* J Lister ...323
Accounts, your. P F Hepburn:
Investment opportunities 311
Farms and woodlands 376
National Insurance revolution 251
Private practice: financial planning 183
Private practice: practice accounts 60
Private practice: the balance sheet 118
ACE inhibitors 63
Adenosine 343
Acid aspiration syndrome 176
Adzick, N S, Harrison, M R and **Flake, A W.** Experimental studies on prenatal treatment of congenital anomalies 154
AIDS
the implications of screening for. *Editorial* J Gallwey 265
virus, sexual transmission of. *Editorial* J Seale ..71
Corres A G Dalgleish; J Seale 314
Airways, major, injury to the. S Westaby 210
Alcohol: the palatable poison. *Editorial* M Plant 325
Aluminium 361
Anaesthetic management of the morbidly obese. I K Robertson and R J Eltringham 224
Anaesthetizing the asthmatic. C Morgan and C Gillbe 326
Antagonists, opiate, in shock. C J Hinds 233
Anterior interosseous nerve syndrome. *Case report* E Greenen and T Bunker 235
Antihypertensives 63
Arrest, cardiac, in infants and children, the management of. R J Bray 72
Arrhythmias, fetal cardiac, treatment of. J W Wladimiroff and P A Stewart 134
Asif, H *see* Young, P A et al
Aspiration,
cytology, practical. *Corres* F Mutch 122
of gastric contents. W S Nimmo 176
Asthma (symposium):
Anaesthetizing the asthmatic. C Morgan and C Gillbe 326
Mediators and asthma. P J Barnes 339
The intensive care of asthma. M A Branthwaite 331
Asthmatic, anaesthetizing the. C Morgan and C Gillbe 326
Atria, the role of the, in fluid volume control. G Kaye and A J Camm 82
Corres L Doyle 379
Autumn book review supplement 240
Aztreonam 123

B

Bad news to patients, breaking. A M Hoy 96
Barabas, A P and **Macfarlane, R.** Popliteal artery entrapment syndrome 304
Barbara, J A J, *see* **Brownell, A I** and —
Barnes, P J. Mediators and asthma 339
Barnes, T R E, *see* **Katona, C L E** and —
Barrett, M L and **Kolvin, I.** Depression in childhood 51
Baskett, P J F. Towards better resuscitation ...345
Beta blockers 63
Beta-lactam antibiotics 123
Bihari, D and Knight, A. Stress ulceration. *Corres* 186
Bipolar depression and mania, drug treatment of. J C Cookson 172
Black, G W, *see* **Glasgow, J F T et al**
Bleeding, dysfunctional uterine. S K Smith 351
Blood,
substitutes: present and future. *Editorial* K C Lowe 195
transfusion, infection and. *Editorial* A I Brownell and J A J Barbara 5
Book reviews 58, 115, 181, 240, 307, 372
Boyko, D A and Rowley-Jones, D. Stress ulceration. *Corres* 186
Bradykinin 343
Brain syndromes, organic, drug treatment of. K Davison 112
Branthwaite, M A. The intensive care of asthma 331
Bray, J. The management of cardiac arrest in infants and children 72
Breaking bad news to patients, A M Hoy 96
Breast cancer, receptors in the management of. R A Hawkins 160
Brewer, C. Treatment and justice. *Corres* 254
Brownell, A I and Barbara, J A J. Infection and blood transfusion. *Editorial* 5

C

Cable, H R. Microsurgery of the middle ear ...266
Calcium antagonists 63
Camm, A J, *see* **Kaye, G** and —
Campion, M J, *see* **Singer, A et al**
Cancer,
breast, receptors in the management of. R A Hawkins 160
management, whole body computed tomography in. J E Husband 25
the psychological impact of. P Maguire 100
Cane, the case for the. *Corres* K Norcross 378
Carcinoma, metastatic renal, recurrent obscure small-bowel haemorrhage due to. *Case report* J W Mackenzie 236
Cardiac,
arrest in infants and children, the management of. R J Bray 72
arrhythmias, fetal, treatment of. J W Wladimiroff and P A Stewart 134
output, the clinical value of measuring. R J D George and R J D Winter 89
Cardiology symposium:
The clinical value of measuring cardiac output. R J D George and R J D Winter 89
The management of cardiac arrest in infants and children. R J Bray 72
The role of the atria in fluid volume control. G Kaye and A J Camm 82
Cardiopulmonary resuscitation, *see* Towards better resuscitation
Case reports:
Anterior interosseous nerve syndrome. E Greenen and T Bunker 235
"Non-toxic" megacolon in Crohn's colitis. R M Rainsbury, M Hall and M H Thomas 306
Recurrent obscure small-bowel haemorrhage due to metastatic renal carcinoma. J W Mackenzie 236
Cayley, A C D. Drug prescribing in the elderly 355
Cellulitis, secondary orbital, and frontal sinus abscess. C E Wallace 294
Cerebrovascular occlusive disease 273
Chard, T, *see* **Cowan, D B** and —
Childhood,
depression in. M L Barrett and I Kolvin 51
strabismus in. J S Elston and J P Lee 8
Children and infants, the management of cardiac arrest in. R J Bray 72
Choroidal malignant melanoma, current management of. J Hungerford 287
Clewell, W H. Intrauterine shunting procedures 149
Clinical value of measuring cardiac output. R J D George and R J D Winter 89
Colitis, Crohn's, "non-toxic" megacolon in. *Case report* R M Rainsbury, M Hall and M H Thomas 306
Computed tomography, whole body, in cancer management. J E Husband 25
Concentrators, oxygen. R S C Howell 221
Congenital anomalies, experimental studies on prenatal treatment of. N S Adzick, M R Harrison and A W Flake 154
Consent, informed. M Puxon. *Editorial* 6
Converting gays to normals. *Corres* P A Young et al; J Green and D Miller 314
Cookson, J C. Drug treatment of bipolar depression and mania 172
Copper 361
Correspondence 122, 186, 254, 314, 378
Counselling, genetic — a contemporary approach. I Pullen and A Emery 358
Court, the psychiatrist in. A Grounds 55
Cowan, D B and **Chard, T.** The perinatal database: content and collection 37
Crawford, J S. The phases and stages of labour 32
Corres 255, 378
Crohn's colitis, "non-toxic" megacolon in. *Case report* R M Rainsbury, M Hall and M H Thomas 306
Curriculum vitae, how to present a. J Ellis 237
Cybulska, E and **Rucinski, J.** Restless legs syndrome 370
Cytology, practical aspiration. *Corres* F Mutch ..122

D

Dalgleish, A G. Sexual transmission of AIDS. *Corres* 314
Database, perinatal: content and collection. D B Cowan and T Chard 37
Davison, K. Drug treatment of organic brain syndromes 112
Death abroad. *Editorial* M A Green 69
Defects, visual field. D Kinshuck and J McGill ..21
Depression,
bipolar, and mania, drug treatment of. J C Cookson 172
in childhood. M L Barrett and I Kolvin 51
pharmacological strategies in. C L E Katona and T R E Barnes 168
Didier, H P. Stages and phases of labour. *Corres* 378
Diplopia. J P Lee and J S Elston 13
Diuretics 63
Doyle, L. Atrial natriuretic peptide. *Corres* 379
Drug prescribing in the elderly. A C D Cayley .355
Drug treatment,
in psychiatry (symposium):
Acute schizophrenia. E C Johnstone 198
Chronic schizophrenia. R Morgan 202
Sexual dysfunction. K Hawton 207
of bipolar depression and mania. J C Cookson 172
of organic brain syndromes. K Davison 112
Dunstan, G R. In-vitro fertilization. *Editorial* 131
Dysfunctional uterine bleeding. S K Smith 351

E

Ear, middle, microsurgery of the. H R Cable 266
Editorials:
Accreditation: who needs it? J Lister 323
Alcohol: the palatable poison. M Plant 325
Blood substitutes: present and future. K C

Lowe 195
Death abroad. M A Green 69
Infection and blood transfusion. A I Brownell and J A J Barbara 5
Informed consent. M Puxon 6
In-vitro fertilization. G R Dunstan 131
Mammography and the valüe of screening. G H Whitehouse 263
Outpatient waiting lists. D L Stevens 197
Patient access to medical records. J M A Northover 133
Sexual transmission of AIDS virus. J Seale 71
The implications of screening for AIDS. J Gallwey 265
